SQUASH COACHING AT CHAFYN GROVE 2021 – 2022

Squash in Schools has been providing peripatetic coaching for over 30 years and we currently coach at several schools in the South of England. We have qualified coaches working with us and we focus very much on our own Skill Awards programme. All coaches have been tutored by Paul Chaplin, one of the country's top coaches, who has a wealth of experience of teaching at schools. We also run monthly tournaments which give everyone a chance to try out new-found skills! We work closely with England Squash to keep up to date with the latest guidelines and coaching advice.

If you would like your child to have squash lessons, would you please complete the form below and return it as early as possible. We wish to stress that the coaching is for all ages from Y1 – 8 and all standards from complete beginners upwards - we focus strongly on making the sessions fun whilst learning new skills. Pupils will receive coaching on a first-come-first-served basis. It is worth remembering that squash is far easier than tennis to begin with and is a great stepping-stone to all ball games.

Lunch time individual lessons will be charged regardless of attendance, but we will try to rearrange where possible. Please inform Melanie Hagenau **Squash in Schools** on 07972080273 or email squashinschools@outlook.com if your child is unable to attend a lesson due to illness, school matches and other commitments. Group sessions are charged regardless of attendance, but we do 'chase' the pupils and inform parents if they miss 2 consecutive lessons.

NB Existing squash pupils **must reapply** for the new academic year. Lessons will continue throughout the year unless we are informed otherwise. One full term's notice is required if the pupil wishes to discontinue squash lessons. When notification has not been received, lessons will be charged at the normal rate.

The cost for squash coaching will be added to your end of term account.
