If you buy your child cricket shoes, they must be **predominantly white**.

Please ensure that **all** uniform and sports kit is in good condition and **labelled securely** with a woven nametape. This should be sewn onto the **outside** of all sports kit, below any embroidery on the left-hand side of the chest on all tops and on the bottom hem of the reversible top. The name should be at the bottom of the leg of shorts and near the left pocket of the tracksuit bottoms and cricket trousers. Please ensure that all shoes and trainers are also clearly named.

A loop sewn halfway down the long side of towels helps to keep them off the ground and the nametape should be sewn near to the loop.

If your child brings a watch to school, please ensure it is engraved with his/her name.

Tips for Boarders unpacking at the beginning of term

If you have not already bought one, it is suggested that a **large suitcase**, rather than a trunk, may be much easier for use in school. All trunks/suitcases should be **clearly marked on the outside** with your child's name.

Clothes can be divided and placed in separate bags before packing into the trunk/suitcase for ease of unpacking at school.

1. **PE Bag – This bag will be taken straight to the form room to be checked, before being placed in your child's locker.** It should contain **one set** of all sports kit required for that term; sports footwear and gum shield; **1 towel (first term only)**. Spare sports kit will be stored on their own shelf in matron's sitting room.
2. **Spare clothing – This should be taken to Matron's sitting room.** It should contain the other complete set of sports kit, 3 pairs of pants and socks; 1 pair pyjamas; 1 jumper; 1 pair trousers; 2 shirts. **One towel, 1 duvet cover and 1 pillow case (first term only).**
3. **Overnight Bag – This should be taken to the dormitory** and should contain 1 pair pyjamas; 1 dressing gown; 1 pair slippers and wash kit; 3 sets of casual clothing and **1 towel (first term only).**
4. **Duvet, duvet cover, pillow and pillowcase – clearly named.** Place in a large bag and take to the dormitory.
5. **School bag containing a pencil case** should be taken to the Green Room in the boarding house.
6. **School Coat and Blazer –** This should be taken to the dormitory.
7. **Named water bottle for dorm/weekend trips -** This should be taken to the dormitory.
8. Passports, money, electronic gadgets (all of which should be clearly labelled) need to be given to a member of boarding house staff to be stored safely.

If your child needs to bring any form of medication into school please take it to the school matron so that a consent form can be signed and the medication can be stored safely.
