Please ensure that **all** uniform and sports kit is in good condition and labelled securely with a woven nametape. This should be sewn onto the **outside** of all sports kit, below any embroidery on the left-hand side of the chest on all tops and on the bottom hem of the reversible top. The name should be at the bottom of the leg of shorts and near the left pocket of the tracksuit bottoms and cricket trousers. Please ensure that all shoes and trainers are also clearly named.

A loop sewn halfway down the long side of towels helps to keep them off the ground and the nametape should be sewn near to the loop.

If your child brings a watch to school please ensure it is engraved with his/her name.
