Please ensure that **all** uniform and sports kit is in good condition and **labelled securely** with a woven nametape. This should be sewn onto the **outside** of all sports kit, below any embroidery on the left-hand side of the chest on all tops; on the bottom of the leg on all shorts; near the pocket on tracksuit bottoms and on the bottom of the top flap on the skirt. Please ensure that all shoes and trainers are also clearly named.

A loop sewn halfway down the long side of towels helps to keep them off the ground and the nametape should be sewn near to the loop.

If your child brings a watch to school, please ensure it is engraved with his/her name.

Tips for Boarders unpacking at the beginning of term

If you have not already bought one, it is suggested that a **large suitcase**, rather than a trunk, may be much easier for use in school. All trunks/suitcases should be **clearly marked on the outside** with your child's name.

Clothes can be divided and placed in separate bags before packing into the trunk/suitcase for ease of unpacking at school.

- 1. PE Bag – This bag can be taken straight to the form room to be checked, before being placed in your child's locker.** It should contain one set of all sports kit required for that term; sports footwear and gum shield; **1 towel (first term only)**. Spare sports kit will be stored safely on their shelf in Matron's sitting room.
- 2. Spare clothing – This should be taken to Matron's sitting room.** It should contain the other complete set of sports kit, 3 pairs of pants and socks; 1 pair pyjamas; 1 jumper; 1 pair trousers; 2 shirts. **One towel, 1 duvet cover and 1 pillow case (first term only)**.
- 3. Overnight Bag – This should be taken to the dormitory** and should contain 1 pair pyjamas; 1 dressing gown; 1 pair slippers and wash kit; 3 sets of casual clothing and **1 towel (first term only)**.
- 4. Duvet, duvet cover, pillow and pillowcase – clearly named.** Place in a large bag and take to the dormitory.
- 5. School bag containing a pencil case** should be taken to the Green Room in the boarding house.
- 6. School Coat and Blazer –** This should be taken to the dormitory.
- 7. Named water bottle for dorm/weekend trips -** This should be taken to the dormitory.
- 8. Passports, money, electronic gadgets (all of which should be clearly labelled)** need to be given to a member of boarding house staff to be stored safely.

If your child needs to bring any form of medication into school please take it to the school nurse so that a consent form can be signed and the medication can be stored safely.
